Sub.: Online Training Courses using web platform during December, 2020

HCM Rajasthan State Institute of Public Administration is an apex level training institute for officers of All India Services/ State Services and Public Sector Undertakings. The World Health Organization has declared COVID19 a global pandemic, and as per guidelines issued by the Central and State Government, the Institute has initiated online courses using live online sessions/ web platform for officers of all the government departments/ public sector undertakings and other stakeholders.

For this purpose, the institute has created a new link for online courses on website of HCM RIPA i.e. www.hcmripa.gov.in. All the courses scheduled in upcoming months are uploaded on this link along with registration form. The departmental officers can identify suitable online courses and register online for the scheduled training courses, after the approval of competent authority.

The officers nominated may be directed to attend online sessions during office time using Desktop Computer/ Laptop/ Mobile phone. You may also direct them not to leave the sessions during the ongoing classes. A System of online quiz just after the session, has been incorporated, as an evaluation mechanism to ensure qualitative outcome of the course. The HCM RIPA provides a certificate to the participants after successful and uninterrupted completion of the course.

You are requested to nominate officers from your department **indicating name of the course, officer name, designation, place of posting, mobile number and email address** for the courses on respective email address of the course director or at hcmripa@rajasthan.gov.in.
